RE: *Garfum.com Corporation v. Reflections By Ruth*, Cause No. 1:14-cv-05919-JEI-KMW in the United States District Court for the District of New Jersey

Dear Judge Irenas,

Plaintiff respectfully requests adjournment of the hearing on Defendant's pending motion set for **May 27, 2015** at 11:00 a.m.

Plaintiff has recently executed a covenant not to sue Defendant regarding the patent-at-issue in this case. Plaintiff has also filed today a related motion to dismiss the claims and counterclaims in this case for lack of a requisite case or controversy in light of the execution of the covenant not to sue. (Doc. No. 43). The relief requested in the Motion set for hearing on the 27<sup>th</sup> is now moot. Thus, adjourning the May 27 hearing is appropriate and makes sense pending the court's determination of today' filed motion to dismiss.

Very truly yours,

/s/ Lawrence Hersh
